The Court at the stage of admission made the following :

-

ORAL ORDER:

(Per the Hon'ble Sri Justice J.Chelameswar)

This writ appeal is preferred by the respondents in Writ Petition No.21425 of 2003, aggrieved by an order dated 30th November, 2004 by which the learned single Judge declined to vacate the interim order granted earlier.

In fact, the interim order is dated 01-10-2003. The order was in force for almost 13 months and vacating the said order at this stage in appeal, would result in un-employment of the respondent.

Having regard to the fact that the respondent had earlier served the appellants for a period of 4 ½ years, we do not see any reason in interfering with the order under appeal, at this stage. The appeal is dismissed accordingly at the stage of admission. No costs.

However, in view of the stand of the appellants that the respondent had served them for a considerable length of time and the incumbent of the office returned back to the service after availing long leave, we deem it appropriate the writ petition be disposed of at an early date. Registry to list the writ petition for final hearing before appropriate court on the reopening day after Sankranti Vacation.
